

Summit Water Distribution Company

## Notice of Availability of Audit Report

Summit Water commissioned an audit to provide SWDC and the Board with an accounting of the number of Class A shares outstanding and provide information useful in addressing the relationship of SWDC to its Class A and Class B shareholders. The audit report also reviewed the deposits to and payments from several project accounts related to the construction of the Water Treatment Plant and East Canyon Pipeline. The scope of the audit does not include any proposed actions to be taken based on the results

The audit report is available to SWDC shareholders of record via:

- Email request – [summitwater@swdc.us](mailto:summitwater@swdc.us)
- Written request to SWDC
- Pick up in person at the SWDC office

SWDC  
8506 Blue Bird Lane  
Park City, Utah 84098

The information contained in the audit report is confidential information of the company and use by shareholders is restricted to matters relating to their shareholder interest. The information should not be distributed by shareholders to third parties, except as necessary for their own shareholder interest.
